

**REMARKS**

To place the application in compliance with the Sequence Rules under 37 CFR §§1.821-1.825, Applicants have submitted herewith a paper copy of a substitute Sequence Listing for the above-identified application. The substitute Sequence Listing contains the identical sequences appearing in the original application papers. In addition, the substitute Sequence Listing also contains new sequences which were disclosed in the specification but not recited in the original Sequence Listing. Thus, no new matter has been added.

There is also submitted herewith a copy of the Sequence Listing in computer readable form as required by 37 CFR 1.821(c). The content of the paper and computer readable copies are the same. Thus, it is believed that the application is now in compliance with the Sequence Rules under 37 CFR 1.821-1.825.

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 18-0013, under Order No. KSM-0216 from which the undersigned is authorized to draw.
